# Brand Statement

This run has no finish line. There are no podiums or medal ceremonies. It ends as it started, together, united in greater purpose. Here, every step, every pace, every individual spin of the wheel represents a collective spirit — a shared vision of a more vibrant and enriched community for all. Old Bill's Fun Run exemplifies the very best of Jackson Hole. In this marathon of generosity lies the opportunity for meaningful contribution, for altruism amplified by the kindness of others, and for the singular drive to make a difference.

The Tiempos Collection is a modern serif family for editorial typography. Tiempos is a serif typeface designed by Kris Sowersby and published through Klim Type Foundry. Tiempos Headline is skillfully designed for larger headline sizes, striking a balance between practicality and elegance.

We use Tiempos for setting large headlines and callouts, and occasionally for setting large body copy or pull quotes.
