High School Butte

TUESDAY, AUGUST 12
8:30 AM - Quittin' time

DEFEND High School Butte from the invasion of Musk Thistle and Spotted Knapweed.
JOIN US for a large-scale manual control effort on August 12th

Trails are steep - wear sturdy shoes
Tools, gloves, guide-books, snacks and water refills will be provided.

Bring waterbottles!

Register HERE by August 11, 5pm

Registrants will receive additional information before the event.

HIGH SCHOOL BUTTE is a place worth defending:

- An outdoor classroom for schools nearby.
- A "Hill Climb" for training athletes.
- A trail right in town with a view that is worth the climb!
- A place to walk your dog.
- A native plant community valuable to native wildlife.
- A native plant restoration project involving local students, TCWP and the Nature Conservancy.
