

SPOTTED  
KNAPWEED

# as a Habitat Hero, you will...

- Learn to **identify** invasive and native plant species
- Help **remove** invasive plants and improve habitat for wildlife
- Assist pollinator populations by **restoring** native plants
- **Build community** with fellow nature enthusiasts
- **Breathe fresh mountain air** in stunning landscapes

## Become a Habitat Hero

- Join a Weekly Volunteer Workday
- Form a Stewardship Group for your favorite area
- Bring your company/group for a rewarding service project

MUSK THISTLE

Contact a JHWMA partner to become a **Habitat Hero** and safeguard the Greater Yellowstone Ecosystem we call home.

Do you love exploring Teton County's great outdoors?

Are you concerned about invasive plants degrading our precious wildlife habitat?

Join the **Habitat Heroes** and take action to protect our native plant communities!
