**FOR IMMEDIATE RELEASE**

**Teton County Scholarship Program Celebrates Class of 2024  
with over \$1M in Scholarships**

Jackson, Wyoming — Teton County Scholarship Program (TCSP) was pleased to announce its 2024 winners at Scholarship Night on April 24. This year, 156 students from across Teton County applied for 75 scholarships sponsored by generous local donors. A grand total of \$1,001,648 was awarded to Teton County high school seniors.

Dr. Gillian Chapman, Superintendent of Teton County School District #1, said, "The fact that our community steps up to support local students on this level is simply amazing. It gives our students the confidence and resources they need to succeed. We are incredibly grateful to the more than sixty donors who make these awards possible. The difference you make in the lives of our students is truly life-changing."

TCSP is administered by the Fund for Public Education and the Community Foundation of Jackson Hole, in partnership with TCSD#1. It is open to all graduating high school seniors in Teton County, including home-schooled students.

"The Teton County Scholarship Program has grown so much over the years, but its spirit has remained the same," said Jennifer Jellen, the Fund for Public Education's executive director. "This is about our community helping one another and building better futures for the kids and families in our valley."

Local donors came together to provide funding for 224 individual TCSP awards. The awards celebrate student achievements ranging from academics to athletics to community service to resilience in the face of adversity.

"The financial costs associated with college are a roadblock for many students, and we are honored to help bridge the gap with scholarships," said Community Foundation President Laurie Andrews. "We hope these scholarships will be transformative to the future of the Class of 2024."

TCSP extends special thanks to local high school counselors and administrators for their invaluable partnership.
