Communications

The Community Foundation communicates with Old Bill's nonprofit participants via email. Each organization has **one primary contact**, which was identified in the Old Bill's application, this person will receive login information to review donations during the Giving Season. The **primary contact** is responsible for sharing the login information with the team as needed. Additional contacts will receive the Nonprofit Newsletter with up to date information on Old Bill's key dates, marketing toolkits, booth information, Giving Season information, Run Day details, and regular updates. **To avoid missing important communications, please classify the domain cfjacksonhole.org as a safe sender in your email system.**

Logo

The Foundation encourages participating nonprofits to use the Old Bill's logo in marketing materials related to the event, as well as to link to ldbills.org on their websites and on social media. [Click here to download the logo suite](#) and refer to the [Old Bill's Rules & Procedures](#) for marketing guidelines.

Gift Reporting

The Community Foundation uses a [secure webpage](#) through which you'll be able to see Old Bill's donations to your organization. During Giving Season, your organization's designated Old Bill's **primary contact** will receive an email with your user ID, as well as [guidance on reviewing donations](#).

The Community Foundation staff processes gifts steadily from the start of the Giving Season (August 15) through mid-October. All gifts are reviewed prior to posting, including online donations, which creates a delay between gift receipt and when gifts are visible. Note that almost $\frac{2}{3}$ of donations arrive in the last week of the Giving Season. Last year, the Foundation received over \$1 million dollars in checks and over \$300,000 in credit card gifts on the last day. You will be notified when all gifts have been processed. We appreciate your patience!

Run Day (Saturday, September 6 at 8:30am)

The Community Foundation looks forward to hosting Old Bill's Fun Run on September 6 at the Jackson Elementary School field on the corner of Willow & Deloney Street. As always, the event will highlight community, philanthropy, and the remarkable work of local nonprofits.

Nonprofits are encouraged to participate by walking or running, volunteering, posting on social media or hosting a booth. Show your spirit! Walk or run as a group in logoed clothing or mission-related costumes; add to the festivity by inviting your staff, board, and volunteers to participate. Participants may choose to run or walk 5K or 10K, timed or untimed, following familiar Old Bill's routes through East Jackson and on the National Elk Refuge. Adaptive athletes are encouraged to sign up for the Adaptive 5K or 10K using mobility devices. There is also a shortened Fun Run route available as well for anyone looking for a shorter route. Additional Run Day details, including event and route maps, will be available by the start of the Old Bill's Giving Season (August 15) at www.ldbills.org. Run sign-up will be available on our website in mid-July.

Run Day Booths

Organizations that indicated interest in hosting Run Day booths are required to attend the mandatory booth meeting on **Wednesday, August 19** from 1:00-2:00pm at Jackson Elementary School Fields. All booth hosts must attend. If a representative for your organization does not attend the meeting, your organization will no longer be eligible for a Run Day booth.

We encourage each booth to be interactive; plan for ways that the community can engage with your nonprofit by playing a game, doing a craft, or an activity. If you requested a booth but decide not to host one, please cancel your spot with Maeve Stewart (mstewart@cfjacksonhole.org) as soon as possible.

Brochures

The 2025 Giving Season is in effect from August 15 to September 12 at 5pm. Throughout this period, brochures featuring the list of participating nonprofits will be available on the Community Foundation

front porch (245 E. Simpson Avenue). Up to 200 brochures per nonprofit will be available for pick-up on a first-come, first-served basis beginning August 15. Please note that the Foundation mails these brochures to the last three years of Old Bill's donors with Teton County, Wyoming and Idaho addresses. PDF versions of the 2025 brochure and donation form will be available for download in English and Spanish at oldbills.org. *Please do not mail brochures or donor forms to Teton County addresses.*

Countdown to Old Bill's

Throughout the Giving Season the Community Foundation will use digital and print media platforms to build Old Bill's awareness and fundraising momentum.

We aim to build energy and excitement using social media and marketing amplification leading up to Run Day. We encourage your organization to do the same! Use social media and other digital and print media to celebrate your work and Old Bill's in general.

Some ideas to consider:

- Create a digital impact photo compilation and share it on your website and social media.
- Use Instagram Reels and Stories to share news about your organization's work and participation in Old Bill's.
- Make a short iPhone video about your organization with a call to action to support your work with a donation through Old Bill's then post them to social media and/or send out in a special edition e-newsletter.
- Individual or collaborative newspaper and/or radio advertising.
- Use Old Bill's logo and/or graphics on your website, email campaigns, email signatures, and on social media.
- Old Bill's Community Minute on KHOL – if you have not recorded a free Community Minute spot for your nonprofit in previous years, consider doing so. More information to follow in July.
- Reminder: Boxholder mailings are prohibited during Old Bill's. See [Rules & Procedures](#) for more information.
- Install Old Bill's yard signs in front of your organization (or in your neighborhood) during the Giving Season.

Remember to tag the Foundation in your social media posts, so we can reshare and amplify your efforts:

- Use the hashtag #oldbills2025 in social media posts.
- Tag [@cfjacksonhole](#) on [Instagram](#) and/or [Facebook](#).
