A Grant Report is required to ensure that your organization's prior year Old Bill's grant was (or is being) used in accordance with the approved Use of Funds and any applicable donor restrictions. Grant Reports are also used to document the community impact of Old Bill's Fun Run for the public, donors, and the media.

If your organization did not participate in Old Bill's Fun Run last year type N/A for each question in the grant report section. If your organization is a state, regional, or national organization, please use LOCAL budget and staff numbers below.

Please do not include the use of any previously reported Unspent Funds in the Use of Prior Year Grant Funds table below. If you included a line for Unspent Funds in last year's grant report, please indicate "Yes" below, and you will be prompted to separately detail your organization's actual use of those funds.
